

Invitation to a family hike

***Sunday
May 1st 2016***

In Germany, traditionally May starts with doing a hike. Firstly, we'll drive with private cars to Unterschmeien. On the way we'll pick up refugee families from the "Fürstenhof". We ask you to think of additional seats in your car and (if available) child safety seats!

Our tour: Bernhardus cabin – Weintal – Etterfeld – Oberschmeien (here we'll have a break) – Wendenbühl – Unterschmeien.

Finally, there will be a campfire at the Bernhardus cabin.

The tour is easy to pass and largely suitable for push-chairs. Please, bring your own snacks and drinks for the complete day. You will be able to grill your brought meat and sausages over the campfire.

The hike will take place under all weather. Since we'll be outdoors, you should wear solid shoes and waterproof clothes. The total hiking time will be about four hours (exclusively the breaks).
